

ORDINANCE NO. 0207-02-2019
AN ORDINANCE REPEALING ORDINANCE TITLE 15 AND
REPEALING AND RE-CREATING TITLE 15 OF THE CODE OF
ORDINANCES OF THE VILLAGE OF NEOSHO CONCERNING BUILDING CONSTRUCTION

WHEREAS, the Village Board of the Village of Neosho having determined that it is appropriate to update and replace the existing Ordinance Regulating the Construction of New One and Two Family Dwellings; and

WHEREAS, the Village Board of the Village of Neosho wishes to exercise the authority provided for in Wis. Admin. Code Sec. SPS 316.011 to inspect electrical wiring installations at farms, public buildings, places of employment, campgrounds, manufactured home communities, public marinas, piers, docks or wharves and recreational vehicle parks: and

WHEREAS, the Village Board of the Village of Neosho wishes to consolidate the regulation of construction of one and two family dwellings and associated structures, the repair and remodeling of same, and the electrical wiring installations of commercial facilities within one chapter of its code of ordinances.

NOW, THEREFORE, the Village Board of the Village of Neosho do ordain as follows:

Section I: Ordinance Title 15, an Ordinance Regulating the Construction of New One and Two Family Dwellings, is hereby repealed.

Section II: Ordinance Title 15 of the Code of Ordinances of the Village of Neosho entitled Building Construction is hereby repealed and re-created to read as follows:

190-1 AUTHORITY. These regulations are adopted under the authority granted by ss. 101.65 and 101.86(1), Wisconsin Statutes.

190-2 PURPOSE. The purpose of this ordinance is to promote the general health, safety and welfare and to maintain required local uniformity with the administrative and technical requirements of the Wisconsin Uniform Dwelling Code, Wisconsin Commercial Building Code, and the Wisconsin Electrical Code.

190-3 SCOPE.

(a) Notwithstanding ss. SPS 320-325, the scope includes the construction and inspection of alterations and additions to one-and two-family dwellings built before June 1, 1980. Because such projects are not under state jurisdiction, petitions for variance and final appeals under ss. SPS 320.19 and 320.21, respectively, shall be decided by the town board. Petitions for variance shall be decided per ss. SPS 320.19 (Intro) so that equivalency is maintained to the intent of the rule being petitioned. As the town board approves petitions for variance, the chief inspector is granted the power to apply the results to similar circumstances by precedent.

(b) Notwithstanding ss. SPS 320.05, the scope also includes the construction and inspection of detached garages serving one-and two-family dwellings. The building structure and any heating electrical or plumbing systems shall comply with the Uniform Dwelling Code. Petitions for variance and appeals shall be handled as in subpart (a).

(c) The scope also includes the inspection of electrical wiring installations at farms, public buildings, places of employment, campgrounds, manufactured home communities, public marinas, piers, docks, or wharves and recreational vehicle parks. Petitions for variance and appeals shall be handled as provided in ss. SPS 316.

(d) The scope also includes the construction and inspection of commercial buildings. Appeals shall be handled as provided in subpart (a). Petitions for variance shall be handled as provided in ss. SPS 303.

190-4 WISCONSIN UNIFORM DWELLING CODE ADOPTED. The Wisconsin Uniform Dwelling Code, SPS. 320-325 of the Wisconsin Administrative Code, and all amendments thereto, is adopted and incorporated by reference and shall apply to all buildings within the scope of this ordinance. Detached garages will need to comply with the Uniform Dwelling Code Fire Separation Requirements.

190-5 WISCONSIN ELECTRICAL CODE ADOPTED. Chs. SPS 316 of the Wisconsin Administrative Code and all amendments thereto are adopted in its entirety and incorporated by reference and shall apply to all buildings within the scope of this Ordinance.

190-6 WISCONSIN COMMERCIAL BUILDING CODE ADOPTED. Chs. SPS 361-366 Wisconsin Commercial Building Code and Chs. SPS 375-379 are hereby adopted and made a part of this Chapter with respect to those classes of buildings to which this Building Code specifically applies. Any future amendments, revisions and modifications of said Chs. Incorporated herein are intended to be made a part of this Code.

190-7 BUILDING INSPECTOR. There is hereby created the position of Building Inspector, who shall administer and enforce this ordinance and shall be certified by the Division of Safety and Buildings, as specified by Wisconsin Statutes, Section 101.66(2), in the category of Uniform Dwelling Code Construction Inspector and Commercial Building Inspector. Additionally, this or other assistant inspectors shall possess the certification categories of UDC HVAC, UDC Electrical and UDC Plumbing.

190-8 BUILDING PERMITS AND INSPECTIONS.

(a) *Permit required.* No building of any kind shall be moved within or into the Village of Neosho and no new building or structure or any part thereof shall be erected or ground broken for such or enlarged, altered, moved, demolished, razed or used within the Village of Neosho except as provided in this article, until a permit shall first have been obtained by the owner or the owner's authorized agent from the building inspector.

(b) *Alterations and repairs.* The following shall apply to buildings altered or repaired:

1. *Alterations.* When not in conflict with any regulations, alterations to any existing building or structure accommodating a legal occupancy and use but of substandard type of construction, which involves either beams, girders, columns, bearing or other walls, rooms, heating and air conditioning systems, arrangement, light and ventilation, changes in location of exit stairways or exits, or any or all of such, the existing construction shall be made to conform to the minimum requirements of this article applicable to such occupancy and use and given type of construction.
 2. *Alterations and repairs required.* When any of the structural members of any building or structure have deteriorated from any cause whatsoever to less than their required strength, the owner of such a building or structure shall cause such structural members to be restored to their required strength; failing in which the building or structure shall be considered a menace to public safety and shall be vacated and thereafter no further occupancy or use of the building or structure shall be permitted without compliance with this article.
- (c) *Application for permit.* Application for a building permit shall be made in writing upon a form furnished by the building inspector and shall state the name and address of the owner of the land and also the owner of the building if different, the legal description of the land upon which the building is to be located, the name and address of the designer, the use to which such building is to be put and such other information as the building inspector may require.
- (d) *Waiver of plans; permit not required.*
1. *Waiver.* If the building inspector finds that the character of the work is sufficiently described in the application, the building inspector may waive the filing of plans for alterations, repairs or moving, provided the cost of such work does not exceed \$5,000.00.
 2. The construction, movement or structural alteration of a building less than 100 ft.² of surface area shall not require a building permit.
 3. Repairs for purposes of maintenance or replacement in any existing building or structure which do not involve the structural portions of the building or structure or which do not affect room arrangement, light and ventilation, access to or efficiency of any exit stairways for exits, fire protection shall not require a building permit.
 4. Any improvement or alteration to an existing building or other structure with materials and labor which will be at a cost of \$5000 or less, as determined by the building inspector, which do not entail a structural change or change fire protection, exits, lighting, electrical or ventilation of the building or structure shall not require a building permit.
- (e) *Approval of plans.*
1. If the building inspector determines that the building will comply in every respect with all Village of Neosho ordinances and orders and all applicable state laws and orders, the

building inspector shall issue a building permit which shall state the use to which the building is to be put, which shall be kept and displayed at the site of the proposed building. After being approved, the plans and specifications shall not be altered in any respect which involves any of the Village of Neosho ordinances or state laws or orders or which involves the safety of the building or the occupants, without written consent of the building inspector.

2. If adequate plans are presented for part of the building only, a permit for that part of the building may be issued at the discretion of the building inspector before receiving the plans and specifications for the entire building.
- (f) *Permit Lapses.* A building permit shall lapse and be void unless building operations are commenced within six months or if construction has not been completed within 24 months from the date of issuance thereof.
- (g) *Revocation of permits.*
1. The building, plumbing, electrical or heating, ventilating and air conditioning (HVAC) inspector may revoke any building, plumbing, heating, ventilating and air conditioning or electrical permit, certificate of occupancy, or approval issued under this article and may stop construction or use of approved new materials, equipment, methods or construction, devices or appliances for any of the following reasons:
 - a. The inspector finds at any time that applicable ordinances, laws, or orders, plans and specifications are not being complied with and that the holder of the permit refused to conform after written warning has been issued to the holder of the permit.
 - b. The continuance of any construction becomes dangerous to life or property.
 - c. There is any violation of any condition or provisions of the application for the permit or of the permit.
 - d. In the opinion of the inspector, there is inadequate supervision provided on the job site.
 - e. Any false statement or misrepresentation has been made in the application for the permit, plans, drawings, data specifications or certified lot or plot plan on which the issuance of the permit or approval was based.
 - f. There is a violation of any of the conditions of an approval or occupancy given by the inspector for the use of all new materials, equipment, methods or construction devices or appliances.
 2. The notice revoking a building, plumbing or electrical certificate of occupancy or approval shall be in writing and may be served upon any of the following: the applicant of the permit, upon the owner of the premises and the owner's agent, if any, and upon the person having charge of construction.
 3. A revocation placard shall also be posted upon the building, structure, equipment or premises in question by the inspector.

4. After the notice is served upon such persons and posted, it shall be unlawful for any person to proceed thereafter with any construction operation whatsoever on the premises and the permit which has been so revoked shall be null and void. Before any construction or operation is again resumed, a new permit, as required by this article, shall be procured and fees paid therefor, and thereafter the resumption of any construction or operation shall be in compliance with this article. However, such work as the inspector may order as a condition precedent to the reissuance of the building permit may be performed or such work as the inspector may require for the preservation of life and safety shall be performed.

(h) *Report of violations.* Village of Neosho officers shall report at once to the building inspector any building which is being carried on without a permit as required by this article.

(i) *Display of permit.* Building permits shall be displayed in a conspicuous place on the premises where the authorized building or work is in progress at all times during construction or work thereon.

190-9 BUILDING PERMIT FEE. The building permit fees shall be determined by Resolution and shall include the cost of the state seal which is assigned to any new dwelling by the Wisconsin Department of Commerce and the fees for the Village and Inspection Agency.

190-10 PENALTIES. The enforcement of this section and all other laws and ordinances relating to building shall be by means of the withholding of building permits, imposition of forfeitures and injunctive action. Forfeitures shall be not less than \$25.00 nor more than \$1,000.00 for each day of noncompliance.

Section III. This ordinance shall take effect upon passage and publication as provided by law.
