What is Clean Sweep?

Clean Sweep is a collection of unwanted, unused or damaged agriculture or household hazardous waste. This program collects and disposes of waste in an environmentally safe method through a licensed hazardous waste facility. Hazardous waste can usually be identified by product labels that contain any of the following words:

Caution, Warning, Danger, Poison, Toxic, Ignitable or Flammable, Acid, Corrosive or Reactive.

Clean Sweep Guidelines

- Residents of Dodge County are eligible to participate.
- Materials should be properly identified with their original labels.
- Keep like materials together & place in cardboard boxes.
- **DO NOT MIX** materials together. Pack materials for your safety.
- **Do NOT pack material in the back seat of your vehicle.** Pack containers in the trunk or bed of vehicle.
- **You must stay in your vehicle.**
- Unknown materials can be brought in, but Dodge County and its hazardous waste disposal contractor reserve the right to refuse any material.

Requests for reasonable accommodations for disabilities or limitations should be made prior to the program date or activity for which it is needed. Please make such requests as early as possible by contacting Extension Dodge County at 920-386-3790.

Saturday, August 26, 2023

8 am—12 pm

Dodge County Highway Department Shop

Town of Trenton

N8856 CTH A

Beaver Dam, WI 53916

Pre-Registration is required for Agriculture & Very Small Quantity Generator Business Collection (VSQG) - A VSQG is a small business that generates less than 2,205 lbs. of legally defined hazardous waste.

Agriculture Products—Farmers can dispose of their Ag chemicals for free.
