Motion carried.

Motion (Rodriguez/Kelsey) to approve the Ball Park operator's licenses as listed. Motion carried.

Update with possible action of dam grant application denial and next steps.

The Village did not receive the grant. The Village scored very low. Desmore will meet with engineer on Monday.

Options of delaying the work, the next grant, or scope of work or cost. There has been no response from DNR on stop logs and inspection.

The Village needs the stop logs.

The conclusion and finish had to be 9/2025. Discussion ensued that the DNR can approve extensions. It is supposed to be repaired and completed by 9/2025. Discussion ensued of

requesting an extension. Desmore is meeting with engineer, Monday at 1 pm. Engineer was to provide a quote for the work. Discussion ensued to email DNR and a conference call to hear what the plan is. The DNR delayed the stop logs, an extension would be appropriate. Discussion ensued that the Village does not know what the tainter gate condition is. The stop logs are needed. The pier repairs are due to the salt. The dam failure analysis would determine if it can be removed and in scope. Discussion ensued of the DOT responsibility of the millrace and underlay. The DOT was to be responsible for the millrace. The DNR was to be part of a call with the DOT and engineer in May.

Update with possible action of dam fundraising opportunities and marketing / advertising.

Kelsey distributed a letter. Discussion ensued that this would be more of a sign display. Oldenhoff discussed with DOT, the embankment with names is not allowed. A wall along entryway to the dam would have to discuss with Muellers. Also, the breakwall on the Northeast end of the dam. The DOT has a right of way. Discussion ensued of future design for pavers. President Oldenhoff has not connected with Wally on the Tractor Pulls. Oldenhoff has a band. It would be after the tractor pulls at the park. Under the existing canopy. The remaining funds will go into a fund dedicated to the dam maintenance. Chris Burkle of the Lions and Historical Society spoke of the clubs sending a letter to all of the area residents for fundraising for the dam. The letter explains what is going on and asks for assistance.

Discussion with possible action of July meeting date.  
July 11<sup>th</sup> at 6:30 pm.

Report on High School Day of Service with possible action from May 22<sup>nd</sup>.  
Trustee Rodriguez commented that piers were installed, cleaned up cemetery, and painted. Cleaned up park. They painted pillars. Next year they will paint the pavilion.

Report on Hwy 67 millpond clean up with possible action.  
President Oldenhoff commented the Fire Department cleaned it up. Oldenhoff will haul brush away. Oldenhoff commented he called the State requesting assistance. State says it is the Village's responsibility. The brush is damaging to the road and dam.

Report on crosswalk painting with possible action.  
Painting of the crosswalk is the Village's Responsibility. The State is surveying for the 2030 project. The State suggested not to paint. There are new requirements on crosswalks. The crosswalks in place are not in compliance with the current standards.

Discussion with possible action of snowplow bid.  
Motion (Rodriguez/Weynand) to approve as written. Motion carried.

Discussion with Possible Action of Park Rental Fees and Boat Launch Fees, Signage.

Discussion ensued of signage and leave by the launch with the ordinance number. Envelopes are there. Not meant to be policed hot and heavy. Discussion ensued of hard to police, or a reminder on the windshield. There is normally a tab on the top. Signage for the buildings and Woodlawn park. The school approached if it is for the school do they need to pay. Discussion ensued of the fee of the school and discuss next year.

Motion (Rodriguez/Weynand) to approve Class “B” Fermented Malt Beverage and “Class B” Intoxicating Liquor, July 1, 2024 – June 30, 2025, Robert J. Boehnen, Boehnen’s on the Rocks LLC, DBA On the Rocks, LLC, 211 North Schuyler Street. Motion carried.
