

PUBLIC NOTICE
VILLAGE OF NEOSHO

NOTICE IS HEREBY given that the Neosho Mill Pond Dam will be in process of an inspection. This is a required inspection by the Wisconsin Department of Natural Resources. The Village will also have an engineer present. The draw down of the pond is scheduled to start the second week of October in preparation for an inspection on or around October 15th, 2024, weather dependent.

Updates will be posted on the Village Website, villageofneosho.org and the Village of Neosho facebook page.

If you have any questions, you may leave a message at 920-625-3086 or email neoshovillage@frontier.com. If your boat is moored to your dock you will need to make arrangements for your boat.
